

## **JOAQUÍN FERNÁNDEZ DE PIÉROLA MARÍN**

Mr. Joaquín Fernández de Piérola Marín holds a degree in Economics and Business Administration from the University of Zaragoza and has a specialization in Marketing from UWE (University of the West of England, Bristol, United Kingdom). He completed the PDG (Senior Management Program) at IESE Business School and holds a diploma in Corporate Governance from the Spanish Association of Directors (ICA). He is a member of the Advisory Board of the IcxAlumni Association. He worked at the Trade Offices of the Spanish Embassies in Riyadh (Saudi Arabia) and Baghdad (Iraq). After this period in the public sector, he became International Director of the Spanish water group gHT. In mid-2003, he joined Befesa Agua (former water subsidiary of Abengoa), where he assumed various roles in business development and concessions within the water sector. He later served as Vice President of Business Development for the Middle East and Asia in Abengoa's Engineering and Construction division, and in 2013 he was appointed Chairman and Chief Executive Officer of Abengoa Mexico.

In November 2015, he was appointed Managing Director of Abengoa, and in 2016 Vice Chairman and Chief Executive Officer, serving as CEO of the company until June 2021. He has been a member of the Board of Directors of OMIE (the designated electricity market operator for Spain and Portugal), Atlantica Yield (Nasdaq: AY), and Abengoa S.A., as well as of numerous subsidiaries and concession companies of the group in the infrastructure, water, and energy sectors.

He is currently Executive Chairman of the Board of Directors of Zerintia Healthtech, Independent Director of CCLA Holdings, and also advises various companies and investment funds.
